Request for Extension of Voluntary Suspension

As announced on 27 July 2018, Questus Limited (**Company**) entered voluntary suspension pending the release of an announcement in respect of a potential material acquisition. The announcement for the voluntary suspension anticipated that the Company would make a further announcement regarding the acquisition by 8 August 2018.

However, the Company confirms that it is not yet in a position to make a further announcement regarding the acquisition. As such, the Company has requested that ASX continue to impose the voluntary suspension of trading in its securities to ensure that no trading in its shares occurs on an uninformed basis.

In accordance with ASX Listing Rule 17.2, the Company advises that it:

- (a) is seeking the voluntary suspension pending release of an announcement in relation to a potential material acquisition;
- (b) expects the voluntary suspension to remain in place until the Company is in a position to make an announcement which is expected to be no later than Wednesday, 5 September 2018; and
- (c) is not aware of any reason why the voluntary suspension should not be extended.

Yours faithfully

Graeme Goff
